

## Workshops 'Scratch To Win' prizes with Comma

- Promotion rewards workshops using top tier Performance Motor Oil (PMO) lubricants
- Over 10,000 Love2Shop vouchers up for grabs alongside two Palmer Sport driving days
- Workshops gain 1 scratchcard for every 5L PMO purchased and 4 for every 20L PMO

For two months Comma Oil is giving all independent UK workshops the chance to bag thousands of pounds worth of prizes by simply using products from its OE approved Performance Motor Oil range.

One card is provided with every 5L pack and four with every 20L PMO pack ordered. Participants scratch off a panel to reveal a promotional code found that can then be entered on the 'Scratch To Win' site for the chance to win instant prizes.

There are over 10,000 winning scratchcards with prizes ranging between £5 and £500 in Love2Shop vouchers when purchasing 5 litre and 20L PMO packs.

Alongside voucher wins, participating workshops will also be automatically entered into a prize draw for a chance to win two pairs of PalmerSport day driving experiences.

Comma's Performance Motor Oil (PMO) range provides over 99% coverage of the total UK passenger and light commercial vehicle parc. A number of oils, such as the Eco-F 5W-20, meet the newest ACEA C5 oil sequence, demonstrating increased fuel economy.

The promotion will run between March 1st and April 30th 2018.
